## National Conference 15 October 2023 in Lincoln

This national conference promises to be a landmark event, starting with a number of inspirational keynote speakers, followed by some informative training workshops and discussions in the afternoon held at the Isaac Newton Building at the University of Lincoln. The event will continue into the evening when we will host our Awards Evening at the nearby DoubleTree by Hilton Hotel.

Isaac Newton Building, University of Lincoln

DoubleTree by Hilton Hotel, Lincoln

**This event is for all Boys & Girls Clubs staff, board members, and volunteers - nationwide.**

Our theme is **#StrongerTogether2023 – Youth Clubs Work!**

It would be safe to say that we all believe in the work that we do as leaders and workers in local, grassroots, youth clubs. We see the positive difference youth clubs make in young lives.

Our Youth Clubs Work conference and awards evening will celebrate the amazing work done by our members and the clubs they support. It will also help us to identify what makes youth clubs work, and will provide some interesting workshops with tools, information, and examples to further inspire the great work taking place across the UK.

Celebrations will continue during our Awards Evening. We will acknowledge some of the fantastic achievements of our young people, volunteers, and their clubs, and we will also be inducting some of our alumni into our Hall of Fame.
